

## **Sun Life International launches a new Indexed Universal Life product**

**HAMILTON, Bermuda – (December 20, 2021)** – Sun Life International announced today the launch of Sun Global Solis, its newest flexible premium Indexed Universal Life (IUL) insurance product.

This competitively priced product offers a balance of long-term protection and upside potential to global Ultra High Net Worth (UHNW) and High Net Worth (HNW) Clients.

"Sun Global Solis is a timely addition to our product portfolio," said Michael Grob, Chief High Net Worth Officer, Sun Life International. "The product offers protection from market downturns via a guaranteed minimum interest rate. At the same time, it provides growth potential, offering clients a choice of three cap rate strategies, based on the clients' goals and risk profile."

Among other notable features, the new IUL product features competitive indexed account cap rate options, a 2% cumulative guarantee which may increase the cash surrender value, access to liquidity via loans and partial surrenders after the first contract anniversary, as well as extended issue age and dollar cost averaging at no additional cost.

Sun Life continues to grow and innovate. The new product meets the growing demand for competitive Indexed Universal Life products in High Net Worth and Ultra High Net Worth life insurance markets around the world.

The new product is not available to nationals and residents of the United States, Canada, Bermuda and certain other countries.
